

ELIGIBILITY & VETERANS

Utah's Military and Veterans communities have come together to partner with the Utah Small Business Development Center in offering Entrepreneurial Training to all of those who have contributed to the peace and freedom of our Nation.

The business principles taught in this training are valuable to businesses of all sizes, and also may be helpful in running households.

Military personnel as well as their immediate families are eligible for these training opportunities.

Funded in part through a cooperative agreement with the U.S. Small Business Administration. All opinions, conclusions or recommendations expressed are those of the author(s) and do not necessarily reflect the views of the SBA. SLCC is an equal opportunity institution providing education and employment opportunities without regard to race, color, gender, sexual orientation, religion, national origin, disability, age and/or veteran status.
