State Director  
Utah Small Business Development Centers

Sandy, UT 84070

Dear Greg,

First of all I want to pass along the warmest regards for the Holiday Season from the Council staff to you and to your staff. I'll be grateful if you will pass that along down the line to your people.

I also wanted to relate the level of excitement, and impatience, being expressed here as we await the federal funding that will allow us to roll out our program to benefit the Vetpreneurs of Utah. We know that all of the hard work and planning that we have done will allow us to join with your team to provide our Utah Veterans with the best possible resources to assist them as they join the growing ranks of Veteran owned businesses.

We're ready to hit the ground running. All we need is the green light.

Anyway, best wishes for the Holidays. I'll talk to you again after we start the New Year.

Very truly yours,  
ROCKY MOUNTAIN VETERANS BUSINESS COUNCIL, INC.
